

# MAJOR COMMAND PROMO

URMA Gamma Line  
VersaMax Type 25\*  
offered in 5/8", 3/4", 1" and 1 1/2"  
OR  
MicroMax\* offered in 5/8"

MONTHLY PROMO SPECIAL – LIMITED TIME OFFER!

**PURCHASE** an **URMA** Gamma Line Boring Head – Either the VersaMax Type 25 or the MicroMax and **RECEIVE** a **FREE Collet Chuck & Collet** (matching equivalent size)

The URMA Gamma line is a Basic Line Boring Head, offered in diameter ranges from .228"–3.465". The system is multifunctional thanks to the cylindrical shank, and is ideal for milling. These Basic Line Boring Heads offer the proven URMA Boring System technology.

\*Boring heads do not include boring bar or cartridges and will require separate purchase.

**HURRY!** Promotion runs from **May 1-31, 2022** or while supplies last. To take advantage of this limited time offer, contact your local distributor or call **800.328.2197**. Use **Promo Code URMA-OFFER** when ordering. Limit one offer per order placed.
